

# SONOMA SKYPARK NEWSLETTER

## **MARCH 2022**

## Happy St. Patrick's Day March 17th

Daylight Savings Time Begins (clock forward) 3/13/22

Marcus Shackford CFI and Airplane Single Engine Sea (ASES) rated!

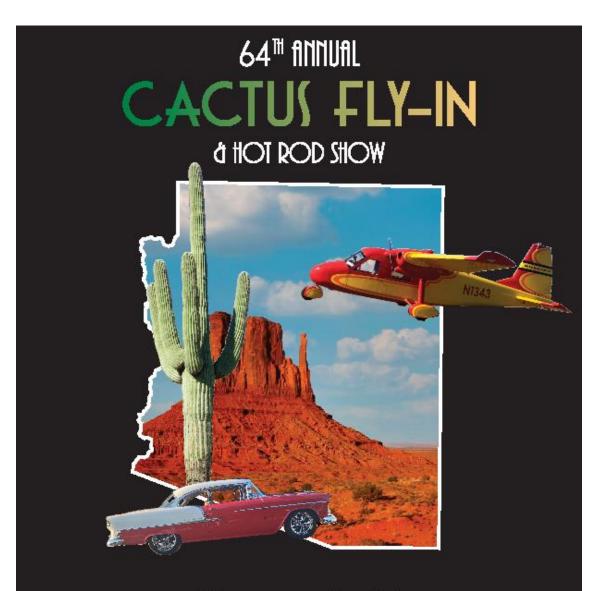

Overall, February was a quiet month. COVID restrictions have been lifted now, so March will get us back to social activities! I know these newsletters have been brief, but they'll get better as the year goes on. We hope to see you this Saturday for BBQ and share some laughs and smiles. Fly safe! -time

As you may know, we partner with Sonoma Valley Fire Department (SVFD) and REACH medical services in allowing them to use our airport for the transfer of patients. Every time I speak with the pilots they tell me how great it is to have a real airport to land at. We are very proud to be a part of this lifesaving team.
